

# Fuck You COVID-19

Are you ready for this shit  
1, 2, 3, 4

Well it's been a few weeks now  
Since I've been stuck here at home  
I thank God for the internet  
I thank God for my phone

Can't even go get a haircut  
So I shaved off my hair  
I can still get some work done  
In nothin' but my underwear  
Yeah

What the fuck is happening  
What the fuck is happening  
I see all this suffering  
When I turn on the TV

Well I know I gotta be grateful  
Wash my hands and keep 'em clean  
Doin' my best not to touch my face  
In between  
Fuck you COVID-19

I hope I've got enough bumwad  
I got some yeast to make bread  
I've got time to clean up the house  
But I think I'll watch some TV instead

And I'm all about my kid's schoolwork  
You know his teacher is cool  
Because his teacher is me now  
Because he can't go to school  
Yeah

The world is so fucked up you see  
The world is so fucked up you see  
Because this new reality  
Doesn't feel real at all

Well I know I gotta be grateful  
Wash my hands and keep 'em clean  
Doin' my best not to touch my face  
In between  
Fuck you COVID-19

I miss restaurants  
I miss the bars  
I miss outrunnin'  
Other people's cars

I miss baseball  
I miss my friends  
I miss my money  
Can't wait till this ends

And I miss concerts  
I miss the crowd  
I miss jammin'  
And playin' too loud

And I miss dating  
Come out and play baby  
I miss not caring  
I hope you're okay

I miss so much  
This really sucks  
Least now I know for sure  
Who gives a fuck

I miss my life  
This feels so cruel  
But most of all I miss  
The kid being in school

So I do whatever I'm able  
Wash my hands and keep 'em clean  
Doin' my best not to touch my face  
In between

And you know I'm super grateful  
And it feels just like a bad dream  
My heart goes out to everybody in  
This quarantine

Fuck you COVID-19  
Fuck you COVID-19  
Fuck you COVID-19  
The boomer doomer  
The kung flu

Well I'm sick of this shit  
So here's a message for you  
You little Bitch  
Fuck you
